

## **Johnson County 4-H & Agricultural Fair**

### **VENDORS INSURANCE**

Please note that K&K requests all professional and non-professional food vendors have Commercial General Liability Insurance including Products Liability coverage. If a vendor provides a current Certificate of Insurance, they will not need to be listed as an additional insured on the policy. However, vendors that do not provide evidence of coverage can be listed on the "Vendors as Additional Insureds" form and submitted to K&K for approval prior to the event.

Vendors selling non-food items should also be listed on the attached form if they cannot provide evidence of coverage. This is not a mandatory requirement, however, it is recommended that all non-food vendors as well as general exhibitors have their own insurance. NOTE: If not already a standard procedure, insurance requirements should be made a part of the contract signed between the Fair and all vendor/exhibitors.

The per vendor/exhibitor cost for adding a Vendor as an Additional Insured will be:

Exhibitors: \$70 each

Non-Food Sales: \$70 each

Food Sales: \$70 each

***(Vendors with more than one booth will be charged \$35 for additional booth)***

NOTE: Concessionaires/Exhibitors, which require K&K underwriting approval and additional premium prior to acceptance, are as follows:

Dunking Booths

Petting Zoo

Pony Rides

Game Booths
